

"Auntie Izzie" Kauakea Aiona Abbott

Limu Ho'olaule'a

June 2, 2019

10:30 am - 2 pm

Enjoy a day of celebration at the Waikiki Aquarium to honor a remarkable woman and her contribution to science and Hawaiian culture on what would have been her 100th birthday!

Hands-on activities and booths for keiki:

- **University of Hawaii at Manoa (UHM) Limu Lab**
- **Screen printing** with Native Hawaiian Student Services
- **Intertidal monitoring techniques** with Kanoe Morishige
- **Hawaii's intertidal algae** with UHM OPIHI program
- **Bishop Museum** Isabella Abbott Limu presses
- **Native grazers** with DLNR- Division of Aquatic Resources
- **NOAA Papahānaumokuākea Marine National Monument** craft
- **Limu stamp activity** with Artist Margo Vitarelli
